Two-Factor Authentication Is Always on for MyChart

To help ensure your MyChart account remains secure, you must now verify your identity using two-factor authentication when logging in to your MyChart account on new or unsaved devices.

To login, go to MyChart at GBMC App on Mobile device or MyChart - Login Page.

Once you enter "Username" and "Password", click on Log in.

Set Up Two-Step Verification

Two-step verification allows us to keep your account secure even if somebody knows your password. After turning on this security feature, when you log in from a new device we will ask you for an additional verification code. This will help make sure only you have access to your account.
